

**Church Women United Ecumenical Forum
April 5, 2019
University Presbyterian Church**

“Learning & Leading Book share: To Inspire, Encourage & Inform”

Bring books to the April Forum that have provided you inspiration, encouragement and new information. These books can be on religion (spiritual), human rights, hunger and poverty, health and wellness or diversity and inclusiveness. The book share format: groups will hold discussions and select a speaker for their group. The speaker will share her group's responses to the whole group. Focused questions will be provided for the small discussions and the whole group share.

Bring books to donate to the Prison Ministry. These are the acceptable books most in need.
